

WELCOME TO
NORDA

In the old historic post office hall, nestled among the high oak paneling and in the sparkle of the elegant chandeliers is the heart of the Post house. At Norda, Sweden's west coast meets the North American east coast. Marcus Samuelsson is our creative partner, whom with several successful restaurants in the US, adds his flare for taste and quality to the menu. The ingredients always take center stage and even the seemingly simple dishes reach unprecedented heights in the hands of our talented chefs.
