

The Wine List

Here at Norda we want you as a guest to be able to enjoy the food and wine - with clear conscience. Our wine collection consists of North-American and European wines.

Our concept on the other hand is North-American.

We are very happy and proud to introduce you to the U.S. wine world. With a more innovative approach showing you the new and different styles of wines. Our goal is to show and give you a total experience, with both wine and food.

Here we will give you a picture of a new and elegant style of North-American wine making. With great knowledge about our wines, we are able to show you both modern styles from the New World and traditional wines from the Old World as well.

There is a wine pairing with all our set menus but also for individual dishes.
Feel free to ask if you want any further information about our wines.

Welcome to Our wine list and enjoy!

Peter Török - Sommelier
